

The diagram illustrates a timeline with two tasks, u and t , represented as light red rectangles with black outlines. Task u is on the left and task t is on the right. A horizontal double-headed arrow between the right edge of u and the left edge of t is labeled "slack $\Delta_{u,t}$ ". Below the tasks, a long horizontal arrow points to the right and is labeled "time".

u

slack $\Delta_{u,t}$

t

time
